

Open Meeting – Minutes
Bowmen Of Bruntwood

Bowmen of Bruntwood Indoor Range
3rd September 2026, 19:30

Minutes

Attendees	David Woodroffe, Sarah Davnall, Alan Westmoreland, Steve Carey, Steve Jones, Daeron Meredith, Phil Martin, Lisa Creer, Lee Kellet, Faheem Akhtar, David Walton, Andy Williamson, Kerry Palmer
Apologies	David Hulme, Glyn Ball, Dorothy Williamson, Arlo Teubner, Antje Teubner, Michael McCurley, Steve Ash, Jon Parris, Nigel Atkinson, Pete Allan, Mal Skuse, Colin Ashworth

		Although not quorate (due to the committee numbers) it was never-the less held as there were members present No one was keen to take minutes, so I attempted to record everyone. This failed.
1	Welcome	Meeting started @ 19:30 prompt
2	Review of Minutes from OM 4/6/26	Read and agreed, no comments - signed off unanimously
3	Roof update	• David Woodroffe explained where things were up to re the re-roof of the indoor range – • Phil Martin is working on the Sport80 Grant Application • David Woodroffe in correspondence with lease holder re financial support • The need to expose the roofs underside to assess condition explained • Next meeting date of sub-committee to be organise for after club champs • Faheem asked is a re-roof was necessary and was pointed in the direction of the independent survey undertaken.
4	Heating update	• Steve Carey reported the heater on the indoor is now fixed (circa £1 / hour)
5	Club-Championship 13th September	• David Woodroffe gave a quick over-view of the format of the upcoming club champs and encouraged everyone to attend and spread the word. • Sarah Davnall noted that the Friday immediately prior to the event would be the cut-off point for entry. Action: Antje to send out email to all

Open Meeting – Minutes

6	75. Club-Anniversary, 2027	Daeron Merdith suggested various ways the club could mark its 75th anniversary next year – possible • trip to Bezier our twin city. Other suggestions from the floor • 75-hour shoot, and • an event where you shoot 75 arrows at 75 meters <i>*The Bruntwood*</i>. It was pointed out that we should link this moment with our fundraising needs. Action: Daeron has agreed to drive this forward i.e. speak to Dave Hulme (club historian), gather suggestions, and eventually head a sub-committee to plan the celebrations.
7	5 - 60yd 3D field archery area @ BoB	• The idea has been assessed and sadly the space suggested is not suitable for a variety of reasons (it was a shame the proposer did not attend in person as it limited discussion of what might be achieved instead).
8	Teams for postal leagues	• Sarah Davnall explained her reasoning behind the team numbers for the winter leagues. Not mentioned on the agenda is that there will also be 1 longbow and 1 compound team entered in the Portsmouth competition. Action: Sarah Davnall – compiling and entering the teams
	AOB	
	Need for a disabled ramp access to the indoor range.	Alan Westmorland raised the need for a disabled ramp to access the indoor range. It was agreed to purchase an off-the-shelf solution in rubber at circa £120, but this would only be suitable for visitors and thought needs to be given to the accessibility needs of future disabled members across all the clubs facilities. It was agreed that this would be referred to committee and a plan would be created (possibly with the help and advice of an external specialist charitable organisation). Action: Committee - To be discussed at the next committee meeting Alan W – purchase off-the-shelf temporary ramp
	Club-fees due date	David Woodroffe explained when club fees, AGB fees and CAA.NCAS fees were due and how to pay them. Members were told to await further details by email. Phil Martin asked about the value in paying his NCAS subscription.

Open Meeting – Minutes

		Action: <i>Antje</i> to update the relevant membership documents and circulate via email to members
	Meeting closed 20:32
